Subscription Rate: \$1.25 PER YEAR
The opinions expressed in this publication are not necessarily those of the faculty or administration.

Concerning Wartburg's Museum

The question was recently raised on the campus as to why the College Museum on the third floor of Old Main is not open to visitors.
The last edition of the catalogue speaks in glowing terms of the 15,000 specimens which make up the exhibits. It would seem logical to inquire as to just why the museum is not open to the students or the public. Certainly it would be of great interest to many of us who have never had a glimpse of the relics, antiques, or what have you that may make up the contents.
Credit is given the contributors for their gifts. But did they present these gifts to obtain thanks or to make them available to the public?
Certainly a fine museum would be a credit to Wartburg. If student labor is needed for cleaning up the rooms or arranging the exhibits, it surely is available in abundance.
Why not open the Wartburg College Museum to the student body and the visiting public?

QUIPS & QUIRKS
from
the editor's desk

The Staff takes this opportunity to welcome its new editor, Miss Gjerick, and also to invite any new students interested in journalism to contact the staff. We are the Wartburg Trumpet.
Q's & A's
The suggestion was recently made of every adult male citizen to be in line for a beard in observance of this, Iowa's centennial year. It seems that some of the out-of-state students are the staunchest advocates. At least, the faint hint of foliage they are sprouting would give his impression.
Q's & A's
All indications are that Wartburg College will be fortunate next fall in experiencing the first year of a department of journalism to its curriculum. That means better Trumpets.
Q's & A's
A fine display of school spirit

In Thee

Are You A Pre-Theist?

We have again entered upon a new semester of college life. Perhaps it is therefore fitting that this column discuss the qualifications of one who has declared himself for Christ as a "Pre-theist" student. (At times, it seems that some have forgotten that the student who has the ministry in mind must be a sterling example to his fellow students and especially to those who seek to criticize everything that is Christian.) We who have dedicated our lives to the service of the Master, dare never do violence to the purity and honor of our Savior. To do so will bring unexpressible shame upon the ministry.
So many people have the idea that a college student, even though he may be well during his college days, will suddenly change into a model of perfection when the doors of the seminary close behind him.
Nothing better could be done than to destroy this obstacle and Stancie ideal. The pastor was once

Chapel Notes

Groesman-North Hall chapel for the week of semester exams began in charge of Rudolph Martens in his first presentation. He began his discourse with the statement: "The pastor is the shepherd of man." Enlarging on this topic, Mr. Martens explained that it is a result of our sin, and since sin will always be in the world, war will also remain. The only peace which is permanent is that of the Lord. Therefore, we must spread the Gospel that we may reign not only in our own hearts but also in the hearts of others.
The next chapel was in charge of Laverne Streich. Basing his theme on I Cor. 13:13, Streich emphasized that we must demonstrate love in our lives and crave for the spiritual rather than the earthly happiness.
Thursday's chapel was in the hands of Clifford Driskin, who presented to us an interesting analogy between the development of a snow man and our own spiritual growth. As the snow man rolls down a hill, he remains very white, but if it enters an area covered with trash, it collects an ugly assortment of foreign objects. It is that way now. When we keep our company and our temptations, we are clean men in body and soul. If, however, we choose improper friends and are tempted by the vile of the world, we will accumulate the debris for these sins in our hearts and be stained by them.

Don Fallon has had charge of this week's devotions. On Monday, he presented a challenging message on "Ye shall be fathers and mothers." He who is not for me is against me. He cited a striking example of a young man who had the wonderful experience of really knowing God. Let us take notice and try to catch some of this spirit ourselves, witnessing for Christ without hesitation.
Luther Hall
Mr. Kenneth Kohl conducted Friday Convocation devotion on Luke 11:1. He showed us that the Lord is with us. And it came to pass, that as he was praying in a certain place, when he ceased one of his disciples said unto him, Lord, teach us to pray. Mr. Kohl reminded us of the power of prayer and made the plan that we pray more often or if all things possible through prayer and belief in the might of God.
John Chapel on January 22 was presented by Bob Mueller. Basing his theme on Matthew 6:33-34, he said that our attention should be focused on the present, for sufficient unto the day is the evil thereof. "Whatever the trouble may be, let us find peace and comfort in our Bible, for it has an answer to every problem."
The examination week the attendance at the brief convocations was considerably more than was expected. Dr. J. H. R. professor of Christianity and Philosophy, expressed his heart thanks to God for making these prayer meetings so successful.

President Becker will speak at a latter League Bureau of the Lutheran Churches at Waterloo on Tuesday, January 29. The banquet will be held at Black's Tea Room. President Becker will speak on the theme, "The Bible, Youth and Beacon of Light." Also featured on the program will be the Wartburg College Girls Trio.
On February 4, President Becker will take Pastor Schiffer's place at the Zion Lutheran Church at Oelwein.

Back the Knights

Preceding the very informative talk, a brief business meeting was held, conducted by Vice-President Wilfred Krumpholtz in the absence of the Pi Sigma president.

Knights Race Past Beavers In 3rd Loop Win

OLMSTEAD BLASTS 35

The Wartburg Knights were victorious last evening as they racked up their third Iowa conference win by downing a scrappy Buena Vista 46-30. This is the third win against two defeats for the Wartburgers in the conference race.

The game got off to a flying start as the Knights quickly jumped into a 7-4 lead with their ace scorer Ted Olmstead accounting for all 7 points. They continued to widen the gap and held a rather comfortable 14-5 margin midway in the first half. With only 5 minutes remaining before the intermission the score stood at 24-14. The boys from Storm Lake suddenly came to life and hit the bucket time and again as the Knights seemed somewhat upset. By the time the rest period rolled around the Knights had to contend with a 28-20 count. During the first half Olmstead drained in 14 points to keep the Knights in front.

In the second half the Beavers led the score on numerous occasions, but the Knights always came back to take a slight lead. Time and again the Knights would fast break down the floor only to have the Beavers counter with a bucket shot. With about 8 minutes to go the Knights pulled ahead 34-41. Olmstead kept pouring in the baskets. Bill Hughes soon fouled out, and "Bessie" substituted quite freely the remainder of the game.

The Knights showed some fairly nice ball-handling at times and also some good shooting, but then at other times the game got very rugged. Naturally the outstanding feature of the evening's contest was the shooting of Ted Olmstead who hit 14 field goals and 7 free throws for 35 points. Kamper turned in a pretty good game and led the Knights in rebounding. Drosche did some good fast ball-handling to set up many of the Knights baskets.

For Buena Vista La Vern Peters led the scorers with 19 points closely followed by Huseman with 14. Huseman also turned in a nice game of rebounding, especially defensively.

In the curtain-raiser the "B" squad noted out the quarter from Ellsworth J. C. 29-27. The boys held a 16-10 lead at the half, but they eased up a little and the Ellsworths took advantage of the opportunity to cut down the second half. Reysels led the

scoring for Wartburg with 13 points. Dehmier hitting for 8. Swanson paced the losers with 9 points.

KNIGHTS DROP 2ND CONFERENCE TILT TO U. I. U.

The Wartburg Knights lost their second consecutive Iowa conference game to a powerful Upper Iowa quintet on Jan. 16 at Poy-si. It was a case of sweet revenge for the Peacocks, who were handed an early season defeat on the Wartburg court by a 44-44 victory, as they rolled to a 46-28 victory.

The game got off to a good start as the Knights pulled into a temporary 8-4 lead and it looked like the boys were going to duplicate their previous win over the Upper Iowa boys. Then the Peacocks put on a spurt and edged out a 16-3 margin as the first half ended. The Knights failed to connect during the closing minutes of the first half and consequently they were on the bottom at the intermission.

The Peacocks were never to be headed throughout the remainder of the game as they proceeded to lead by the time they held a 34-22 lead at the third quarter. From there in the Upper Iowa boys easily coasted to their win. They put up a very tough defense which did a good job of checking the half-court. Knights. Time and again the ball rolled off the rim as the breaks seemed to go against the Knights most of the evening.

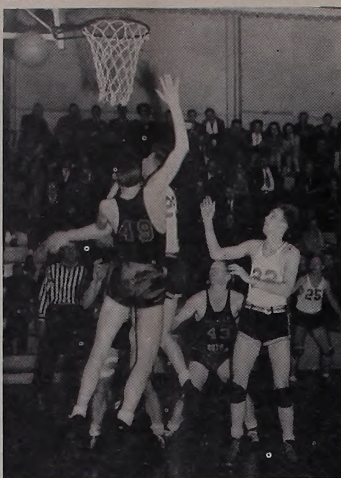

Ted Olmstead, Wartburg's ace scorer was held to a total of 3 points, largely due to some close guarding by Gay Farmum. Drosche followed him in the scoring column with his 6 points, as he made some nice long shots from the court. The Peacocks were paced by Johnson, who lugged home 7 fielders and 3 free throws for a 17 point total.

Wartburg	FG.	FT.	P.
Lanohels	3	2	2
Olmstead	3	2	2
Lechner	0	1	4
Hughes	0	1	4

Smith	0	0	0
Totals	10	8	13

Free throws missed: Wartburg 9, Upper Iowa 11.

Knights Thwart Simson Shot-Attempt

In torrid Simson-action Bill Hughes, Knight guard, is shown battling the shot of one of the Redmen out of bounds while Norm Lanohels (23) and Ludy Lechner (25) are poised for the expected rebound. Ed Drosche's padded leg may be seen behind the netter while another Simpson man is crouching under the basket. The Knight is dropped the Conference tilt 68-48.

Schlossin, Zeigler Winners

During the past week the men of Wartburg have been testing their skill in the fields of pool and ping pong. The manager of the Greenbaum Hall recreation room organized both a pool and ping pong tournament, and the matches have been run off this week.

In the pool tourney Dennis "Slush" Schlossin proved too much for Louis Paul as he walked off with the championship honors in the ping pong contest Al Zeigler won two out of three to take the title from Emil "Stu" Subervolt in the finals.

Bill Fink, manager of the pool room, says that he hopes to organize another tourney a little later in the year.

Bill Hughes, the other regular guard on the Wartburg quintet, is a returned G. I. who has served with the Army Air Forces. Bill attended Wartburg back in 1942 before entering the service. However, he didn't play any basketball at that time. He got his high school basketball experience at Strawberry Point, Iowa, where he was a valuable player for that quintet for four years. Bill played and on the Wartburg football team this season. He really turned in a splendid season both on offense and defense. Bill married a former schoolmate while in the service, and she now serves as the school nurse. Bill is a rugged individual under the basket and his shooting eye seems to be improving as the season progresses.

The Knights are once again in the win column by virtue of their win over Buena Vista, but we were all pretty excited when the Beavers led the score after the half. We had sort of a gift even for the Upper Iowa game by tallying 35 points. He should be back on top of the conference scoring race again with a total of 112 points in 5 conference games for 22.4 average. The Upper Iowa game seemed to be the night that the boys just couldn't hit, and the foe really played tight defense all the way to win the Knights.

Tonight the boys will have to be on their toes and play heads up ball to beat the Luther quintet, who lost its only conference game so far. There should be quite a game down at Cedar Falls tonight with Loras meeting Iowa Peacocks. This should give some indication of the Knights can expect next weekend in Dubuque when they meet Dubuque U. and Loras. It will seem good not to be pulled

against an all-Navy team over at the U. for a change.

Some of the returning G. I's played on the "B" squad and did all right for themselves by beating the Ellsworth five. They also face tough competition tonight as they meet the "Sem" team who are doing right well for themselves in the Dubuque city league.

The Knights won't be around for a home game again until Feb. 10 when they meet the Central Dutchman who gave the Simpson boys a good battle before losing 49-37. The team now has a 5-6 standing in the conference and they're out to better it on their road trips.
